MANAGEMENT DISCUSSION AND ANALYSIS

- **Industry structure and developments**

The company is engaged in trading in shares, financial services and investment activities where the outlook of the business seems to be encouraging over and above we have been diversified into different businesses ranging from third party product distributions (lowest balance sheet risk) to originating unsecured personal loans, corporate loans (highest balance sheet risk). We believe that we are well placed to leverage on the growth opportunities in the economy.

- **Opportunities and Threats**

OPPORTUNITIES

- Increase in Income levels will aid greater penetration of financial products.
- Positive regulatory reforms.
- Increase in corporate growth & risk appetite.
- Greater efficiency in debt market operations which will also help greater penetration.
- Increased securitization.
- Focus on selling new product/services.

THREATS

- Inflation could trigger increase in consumer price inflation, which would dampen growth.
- Increased competition in both local & overseas markets.
- Unfavorable economic development.
- Market risk arising from changes in the value of financial instruments as a result of changes in market variables like interest rate and exchange rates.

- **Segment-wise or product-wise performance**

The company has only one segment line of business. Hence, this head does apply to our company.

- **Risks and concerns**

Management of risk to the business is continuous challenge for any organization growing in size and enhancing its purpose. The traditional risk factors like client risks, industry segment risks and economic risk are well understood and the means to handle them are also fairly established.

- **Internal control systems and their adequacy**

The company ensures existence of adequate internal control through policy and procedures to be followed by the executives at various levels in the company. The operating managers ensure compliance within their areas. The Company has internal Audit system to carry out extensive checking and test and report noncompliance/ weakness, if any through internal Audit Reports on the respective areas. These reports along with reports on compliance made thereafter are reviewed by the Audit Committee of the Board.

- **Material developments in Human Resources / Industrial Relations front, including number of people employed**

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

- A. The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexure to Board’s Report, Corporate Governance and Shareholder’s Information to the extent applicable, but does not include the Standalone Financial Statements and our auditor’s report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

5.

Management's Responsibility for the Standalone Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- B. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

6.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- C. Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.
- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
- A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- C. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- D. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014
- E. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- F. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- G. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- H. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations which would impact its financial position.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “**Annexure B**” a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

Annexure "A" to the Independent Auditors Report Pursuant to Companies (Auditors Report) Order 2016 Report on the Internal Financial Controls under Clause (i) of sub-section 3 Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal Financial Controls over financial reporting of **SVAM SOFTWARE LIMITED** ("the Company") as at March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (":ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

a)Basis of preparation and compliance with Ind AS

(i) For all periods up to and including the year ended March 31, 2021, the Company prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards (Previous GAAP) as notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014, as amended, to the extent applicable, and the presentation requirements of the Companies Act, 2013.

In accordance with the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (Ind AS) notified under Section 133 read with Rule 4A of Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, “Ind ASs”) with effect from April 1, 2018 and the Company was required to prepare its financial statements in accordance with Ind AS for the year ended March 31, 2018. These financial statements as and for the year ended March 31, 2018 (the “Ind AS Financial Statements”) was the first financial statements, the Company has prepared in accordance with Ind AS.

(ii) The management of the Company has compiled the Special Purpose Comparative Ind AS Financial Statements using the Audited Previous GAAP Financial Statements and made required Ind AS adjustments. The Audited Previous GAAP Financial Statements, and the Special purpose Comparative Ind AS Financial Statements, do not reflect the effects of events that occurred subsequent to the respective dates of approval of the Audited Previous GAAP Financial Statements.

(iii) These financial statements were approved for issue by the Board of Directors on June 30, 2021.

b) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivatives.

3. Summary of significant accounting policies.

a. Use of Estimates

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected

b. Revenue Recognition

Revenue is recognized for amounts the Company expects to be entitled to in exchange for transferring promised goods and services to a customer excluding amounts collected on behalf of third parties e.g. sales tax.

Revenue from contracts with customers is recognized when the Company satisfies the performance obligation identified in the contract through transfer of control of the promised goods and services.

Contract with a customer is accounted for when all the following criteria are met:

- The parties to the contract have approved the contract and are committed to perform their respective obligations;
- each party's rights regarding the goods or services to be transferred are identifiable;
- payment terms for the goods or services to be transferred are identifiable;
- the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- it is probable that the entity will collect the consideration to which it is be entitled in exchange for the goods or services that will be transferred to the customer.

Service income

Revenue from service transactions is usually recognized as the service is performed on conversion of customer's material by the percentage completion method. Processing charges include freight and packaging charges but are net of service tax.

Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measure reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the effective interest rate applicable which is the rate exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income

Dividend income from investments is recognized when the shareholder's rights to receive payment have been established.

c) Inventories

Finished goods are valued at lower of cost or net realizable value. Net realizable value is the price at which the inventories can be realized in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.

d) Investments

Long-term investments are stated at cost. Provision for diminution in the value of long term investment is made only if; such a decline is other than temporary in the opinion of the management. The Current investments are stated at lower of cost or quoted/fair vale market value computed category wise

e) Fixed, Intangible Assets & Borrowing Cost

Company has Tangible Fixed Assets and it is properly dealt by company with Ind AS-16.

f) Cash & Cash equivalent

Cash and cash equivalents comprise cash and cash or deposit with banks and corporations. The company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or Less and that are readily convertible to know amounts of cash to be cash equivalents.

g) Employee Benefits

Company has complied with all labour laws.

h) Accounting for Taxes for Income

Deferred Tax: - Deferred tax is provided on timing differences between tax and accounting treatments that originate in one period and are expected to be reversed or settled in subsequent periods. Deferred tax assets and liabilities are measured using the enacted/substantively enacted tax rate for continuing operations. Adjustment of deferred tax liability attributable to change in tax rate is shown in the statement of profit and loss as a part of the deferred tax adjustment for the year.

(ii) There is no Intangible Assets.

(iii) The borrowing cost such as interest, processing fee etc. are recognized in accordance with principal laid down in the Accounting standard 16.

Cost of borrowing related to General borrowing in changed to profit/loss Account.

i) Provisions and Contingent Liabilities

Provisions are recognized in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. When appropriate, provisions are measured on a discounted basis

Constructive obligation is an obligation that derives from an entity's actions where:

(a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities; and

(b) As a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are recognized disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial assets

j) Depreciation and amortization of property, plant and equipment and intangible assets

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives for the main categories of property, plant and equipment and other intangible assets are:

- (i) Factory building - 30 years
- (ii) Building (others) - 30 to 60 years.
- (iii) Roads and pathways - 10 to 20 years
- (iv) Plant and equipment - 6 to 20 years
- (v) Furniture and fixtures - 10 years
- (vi) Office equipment - 5 to 15 years
- (vii) Vehicles - 5 years
- (viii) Computer (including software) – 5 years

k) Financial liabilities and equity instruments

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method. Interest-bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in accordance with the Company's accounting policy for borrowing cost

De-recognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Derivative financial instruments and hedge accounting

In the ordinary course of business, the Company uses certain derivative financial instruments to reduce business risks which arise from its exposure to foreign exchange and interest rate fluctuations. The instruments are confined principally to forward foreign exchange contracts, cross currency swaps and interest rate swaps. The instruments are employed as hedges of transactions included in the accounts or for highly probable forecast transactions/ firm contractual commitments. These derivatives contracts do not generally extend beyond 12 months, except for certain interest rate swaps and cross currency interest rate swaps.

In cases where hedge accounting is not applied, changes in the fair value of derivatives are recognized in the Statement of Profit and Loss as they arise. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. At that time, any cumulative gain or loss on the hedging instrument recognized in equity is retained in equity until the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognized in equity is transferred to the Statement of Profit and Loss for the period. Certain components, such as terms and conditions, embedded in financial instruments or other hosts contracts are accounted for as separate derivatives and carried at fair value. These components are separately accounted for when their risks and characteristics are not closely related to those of the host contract, the host contract itself is not carried at fair value with gains or losses reported in the Statement of Profit and Loss, and where a separate instrument with the same terms as the embedded component would itself meet the definition of a derivative.

Derivatives are initially accounted for and measured at fair value from the date the derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The fair Values for forward currency contracts, interest rate swaps are marked to market at the end of each reporting period. The Company adopts hedge accounting for forward and interest rate contracts wherever possible.

At the inception of each hedge, there is a formal, documented designation of the hedging relationship. This documentation includes, inter alia, items such as identification of the hedged item or transaction and the Nature of the risk being hedged. At inception each hedge is expected to be highly effective in achieving an offset of changes in fair value or cash flows attributable to the hedged risk. The effectiveness of hedge Instruments to reduce the risk associated with the exposure being hedged is assessed and measured at the inception and on an ongoing basis. The ineffective portion of designated hedges are recognized immediately In the Statement of Profit and Loss.

When hedge accounting is applied:

For fair value hedges of recognized assets and liabilities, changes in fair value of the hedged assets and liabilities attributable to the risk being hedged, are recognized in the Statement of Profit and Loss and Compensate for the effective portion the symmetrical changes in the fair value of the derivative.

1) Earnings per Share

Basic earnings per share are computed by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company did not have any Potentially dilutive securities in any of the periods presented.

For the purpose of calculation diluted EPS the net profit loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of All dilutive potential equity shares.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 4

The Company had, pursuant to the provisions of SEBI(Listing Obligations And Disclosure Requirements) Regulations, 2015, appointed Mr. Malikhan Singh Yadav, as Independent Directors at various times, in compliance with the requirements of the regulations. Pursuant to the provisions of section 149 of the Act, which came in to effect from April 1, 2014, every listed public company is required to have at least one-third of the total number of directors as independent directors, who are not liable to retire by rotation.

Mr. Malikhan Singh Yadav, non-executive directors of the Company, has given a declaration to the Board that they meet the criteria of independence as provided under section 149(6) of the Act. In the opinion of the Board, each of these directors fulfill the conditions specified in the Act and the Rules framed there under for appointment as Independent Director and they are independent of the management.

In compliance with the provisions of section 149 read with Schedule IV of the Act, the appointment of these directors as Independent Directors is now being placed before the Members for their approval.

ITEM NO. 5:

The Company had, pursuant to the provisions of SEBI(Listing Obligations And Disclosure Requirements) Regulations, 2015, appointed Mr. Adesh Kumar Agarwal, as Independent Directors at various times, in compliance with the requirements of the regulations. Pursuant to the provisions of section 149 of the Act, which came in to effect from April 1, 2014, every listed public company is required to have at least one-third of the total number of directors as independent directors, who are not liable to retire by rotation.

Mr. Adesh Kumar Agarwal, non-executive directors of the Company, has given a declaration to the Board that they meet the criteria of independence as provided under section 149(6) of the Act. In the opinion of the Board, each of these directors fulfill the conditions specified in the Act and the Rules framed there under for appointment as Independent Director and they are independent of the management.

In compliance with the provisions of section 149 read with Schedule IV of the Act, the appointment of these directors as Independent Directors is now being placed before the Members for their approval.

ITEM NO. 6:

Pursuant to Section 188 of the Companies Act, 2013, the Company can enter into transactions which are in the ordinary course of business and/or are on arm's length basis. Transactions that do not satisfy these criteria can be carried out only with the approval of the shareholders accorded by way of a special resolution. Though all the transactions with the related parties mentioned under the resolution in Item No.3 are in the ordinary course of business and are at arm's length basis. As per Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, has made it mandatory that all material Related Party Transactions (i.e., the transaction/transactions to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the company as per the last audited financial statements of the company) shall require approval of the shareholders by way of a special resolution. The Audit Committee and the Board of Directors of the Company in their meetings held on 14th August, 2021 have approved the transactions given in Item No. 6 of the Notice. However, since these transactions, though may be on arm's length basis and also may be in the ordinary course of business, yet as an abundant caution, it is proposed to seek approval of members by passing a Special Resolution pursuant to Section 188 read with rules made there under and as per Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
